

## **MECHANIC (JET ENGINES)**

### **IN BELGIUM**

(ZAVENTEM, Belgium)

#### **JOB DESCRIPTION:**

EURES – Agenzia Piemonte Lavoro is looking for a Mechanic (Jet Engines) for Safran Aircraft Engine Services Brussels.

Safran Aircraft Engine Services Brussels is a subsidiary of Safran Aircraft Engines, based at Brussels Airport (Zaventem & Steenokkerzeel, Belgium), specialized in the inspection, maintenance and repair (MRO) of the advanced LEAP jet engines that power the latest generation of the Airbus A320NEO & Boeing B737MAX narrow body families. The company is a key player in the integrated CFM international MRO network. With more than 75 years of experience, and up to 20 international Part 145 certifications (EASA/ FAA/ CAAC/ ...),

Safran Aircraft Engine Services Brussels is recognized as a worldwide center of expertise in the air transport industry. More than a 100 airlines, lessors, private aircraft operators and MRO partners have entrusted their engines to our company. We employ over 450 highly skilled, passionate and enthusiastic employees.

As a Mechanic Specialist (Jet Engines) you will carry out the dismantling, assembly and testing of engines to ensure their airworthiness. After training with an experienced colleague:

- You will take charge of the entry of the engine into the workshop and report any defects or damage;
- You dismantle and assemble the various modules;
- You prepare and test the engines, following the production schedule;
- You work in compliance with quality, safety and environmental requirements;
- You participate in projects to improve the test process;
- You fill in the documents on your activities for traceability purposes;
- You report possible anomalies in the work instructions and suggest improvements.

#### **SKILLS:**

- You have minimum a technical secondary school degree (A2) with a strong foundation in mechanics. Additional training in aeronautics is a real asset, as are technical/mechanical skills in our field;
- You are passionate about aircraft engines, flexible, and eager to learn, while also having proven experience in aeronautics;
- You have a very good knowledge of technical English, with some knowledge of Dutch or French and you are willing to improve
- your skills;
- You are willing to work in 2 shifts (from 6am to 2pm, and from 2pm to 10pm);
- You enjoy working in a team, in a multilingual environment and you are willing to support your colleagues.

- Candidates must be legally authorized to work in Belgium, holding either an EU passport or a valid work & residence permit. Please note that we do not provide assistance with visa or permit applications.

**PLACE OF WORK:** ZAVENTEM , Arrondissement di Halle-Vilvoorde - Belgio

**WORK CONDITIONS:**

- Permanent position, full time job, 2 shifts (from 6am to 2pm, and from 2pm to 10pm);
- Gross monthly salary €2,800 – €3,800 (+ Shift premiums)
- Meal vouchers
- Days reduction working time
- End of year bonus
- Holiday pay
- Bonus Profit Sharing (CLA 90)
- Hospital insurance & Pension plan insurance
- Eco-vouchers, gift vouchers and Benefits at Work
- You can also count on support throughout your career and appropriate theoretical and practical training, all in a stimulating, international environment with plenty of career opportunities.

**HOW TO APPLY:**

If you are interested in this position, please e-mail your CV & Cover Letter to [eures.recruiting@agenziapiemontelavoro.it](mailto:eures.recruiting@agenziapiemontelavoro.it) before 09/03/2026.
